

*Scaphyglottis ??*

*Epidendrum difforme*

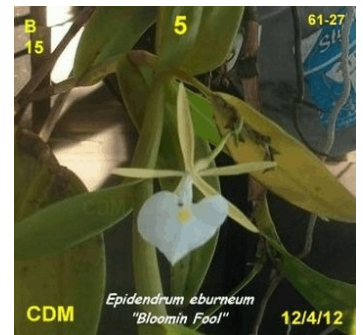

*Scaphyglottis prolifera 1*

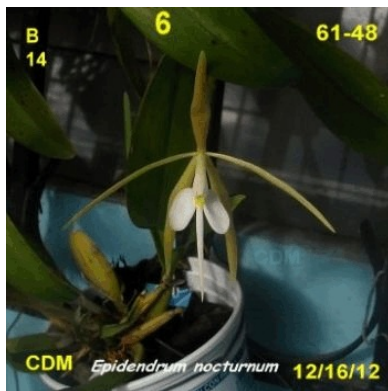

*Scaphyglottis prolifera 3*

*Scaphyglottis prolifera 5*

*Epidendrum eburneum*  
"Bloomin Fool"

*Epidendrum nocturnum 1*

*Epidendrum radicans A*

*Dimerandra latipetala*

*Epidendrum vulgoamparoana*

*Dimerandra elegans 1*

Note: Epi. radicans: Those that weren't going to survive at sea level were taken back to the mountain. This is new listing. Others used in hybridization have no crosses surviving after accident with flasks.
